

STAGEDEX

Product NEWS StageDex Dollies

PROLYTE GROUP LAUNCHES TWO DOLLIES FOR STAGEDEX RANGE

As an extension of its StageDex product range, Prolyte launches two dollies tailored to market requirements.

Built to Last

The sturdy flatbed dolly has been developed to transport 20 decks, simply stacked on top of one another. This flatbed dolly is ideal for use in larger venues and for large-scale rental.

- Galvanised steel frame
- Design allows nesting for empty storage or transport
- Easy to manoeuvre due to extra-large wheels
- Fitted with 2 swivel and 2 fixed castors for easy steering
- Integrated handles

PRODUCT SPECIFICATIONS: SM-ACC-DOLLY-01

Dimensions	L2080 x W1020 x H1276 mm
Weight (empty):	92,8 kg
Weight (loaded):	773 kg
Capacity:	20 pcs StageDex 2x1

Slim Fit

The more compact and manageable 6-deck dolly is designed for use in smaller venues, theatres and hotels. Due to the upright position of the decks, this dolly is small enough to fit through any door.

- Galvanised steel frame
- Design allows nesting or tipping for empty storage or transport
- Fitted with 2 swivel and 2 fixed castors for easy steering
- Narrow width – at 60cm it fits through doors and is based on standard truck dimensions
- Pre-fabricated slots to stack the decks on the dolly
- Integrated handles

PRODUCT SPECIFICATIONS: SM-ACC-DOLLY-02

Dimensions	L2075 x W600 x H1191 mm
Weight (empty):	60,4 kg
Weight (loaded):	265 kg
Capacity:	6 pcs StageDex 2x1
