9<sup>th</sup> December 2008

Dear Valued Customers

**PRICE REDUCTION BY 5% FOR ALL DOUGHTY PRODUCTS  
FOR ASIA PACIFIC COUNTRIES WITH EFFECT 01 DECEMBER, 2008**

After much deliberation with our head-office in UK and with their support, coupled with the recent oil price reduction, has made it possible for us to reduce our list price by 5% for all Doughty products effective 01 December, 2008 for the Asian countries.

We believed that with this price reduction, it will make Doughty's high quality range of products even more accessible for the ever growing demand in the market.

We are very pleased to be able to pass this savings directly on to you and we look forward to your continued support.

Kind Regards
