RE: Pricing information 2012

Dear Prolyte Customer,

With this letter we like to inform you that Prolyte Group will have a price increase, which will come into effect on 1st June 2012.

All prices will increase by 1%, with the exception of the heavy-duty truss (S, B and C series) and the ProLyft products.

The StageDex DexLeveller (SM-CON-01) needs to be ordered separately and will no longer be included in the pricing of the decks.

We will accept forward orders placed before 1st June 2012 at current prices however these will need to be shipped by 1st July 2012.

We will have an updated pricelist, in excel format, available for your convenience next week.

The new prices will be available for and communicated to the market as of 1st June 2012.

Please do not hesitate to contact our Customer Service department at infopap@prolyte.com for further information.

We value your business and would like to thank you for your support and understanding.

Trusting to have informed you sufficiently,

With best regards,
